Re: Gores Portfolio Holdings, Inc. and Global Tel*Link Corporation
Docket No. WC-04-326

Dear Ms. Jackson:

On behalf of Gores Portfolio Holdings, Inc. ("Gores") and Global Tel*Link Corporation ("Global," together with Gores, "Applicants"), the Applicants in the above-captioned matter, this letter responds to your recent inquiry concerning potential affiliations (as defined in Section 153(1) of the Act, 47 U.S.C. § 153(1)) between Global and other telecommunications providers.

As discussed in our conversation, through the proposed transaction described in the Application, Global will become affiliated with Voicecom Telecommunications, LLC ("Voicecom"). Voicecom is ultimately owned and controlled by the same entities that will ultimately hold control of Global upon completion of the proposed transaction. Other than Voicecom, Global will not be affiliated with any other entity authorized to provide regulated telecommunications services following the proposed transaction.

Voicecom is a non-dominant provider of enhanced call answering services in the business-to-business market offering solutions such as automated attendants, customized interactive voice response systems, voicemail, voice messaging, and conference calling. Voicecom provides various regulated and/or unregulated communications services virtually nationwide and holds international Section 214 authority granted by the Commission in File No.
